**SHARK LOOKBOOK
SPRING/SUMMER 2020**

SINCE '81

The essence of Freestyle has been embodied in the youthful freedom found at the nexus of surf, sun and fun. This colorful, creative and irreverent intersection of California Beach Culture and Ocean Performance yielded Freestyle Watches - an enduring and iconic brand of water-resistant timepieces epitomized by the Shark Watch. Amplified like a music festival, calculated like the tide, and fun like a day at the beach, Freestyle is the world's original and most trusted watersports watch. Welcome to our ocean, put your phone in a safe place, and dive in.
